Education

Bachelors of Technology - CSE(AI&ML) Pragati Engineering College, Surampalem CGPA – 8.94	Expected in April 2027
Intermediate Aditya Junior College, Kakinada Percentage – 94.5	April 2023
SSC Sri Chaitanya Techno School, Kakinada Percentage – 99.9	June 2021

Skills

Programming Skills	Python, Java, C
Core	Data Structures & Algorithms, OOP
Web Technologies	HTML, CSS, JavaScript, MERN Stack
Tools	Git, GitHub, VS code, PyCharm, Excel
Databases	MySQL
Testing	Selenium, Manual Testing

Experience

AWS AI-ML Virtual Internship Gained hands-on experience with machine learning tools and cloud-based solutions.	Apr-Jun 2025
Google Cloud Arcade Program (Arcade Ranger) Completed hands-on Google Cloud labs in cloud computing, networking, APIs, AI/ML, and technical troubleshooting, earning the Arcade Ranger recognition.	Apr-Jun 2025

Projects

- **DevInsight AI Pro:** Developed a RAG-powered repository intelligence platform leveraging Python, FastAPI, React.js, TypeScript, vector embeddings to deliver code analysis and repository insights.
- **Gesture Volume Control & AI Virtual Keyboard:** Developed a real-time hand gesture-based systems using **OpenCV**, **MediaPipe**, **NumPy**, and **Pycaw**.
- **Sentiment Analysis Bot:** Built a sentiment analysis web using Flask, SQLite, and Hugging Face with user login, chat history, and a clean UI.

Certificates

- Salesforce Certified Agentforce Specialist.
- ServiceNow Certified System Administrator.
- ServiceNow Certified Application Developer.

Achievements

- **Talent Expo 2024(First Prize):** Won First Prize at Talent Expo 2024 for developing a Gesture-Based Volume Control and AI Virtual Keyboard System using computer vision.

Leadership Experience

- **AI Agent Event Coordinator — STRIDES 2K26, Pragati Engineering College (CSE-AI & ML):** Coordinated the AI Agent technical event, managing participant registrations, event execution, and ensuring smooth conduct of the competition.
